

Touch "Settings" from the home screen.

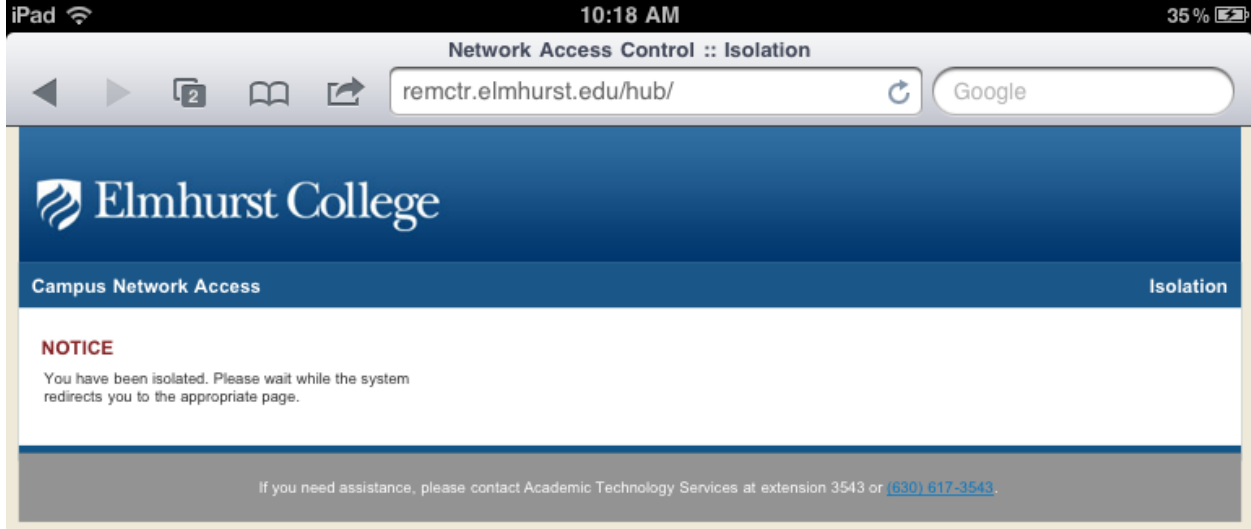

Touch the "Wi-Fi" option from the Settings menu, then touch the appropriate Residence Hall network.

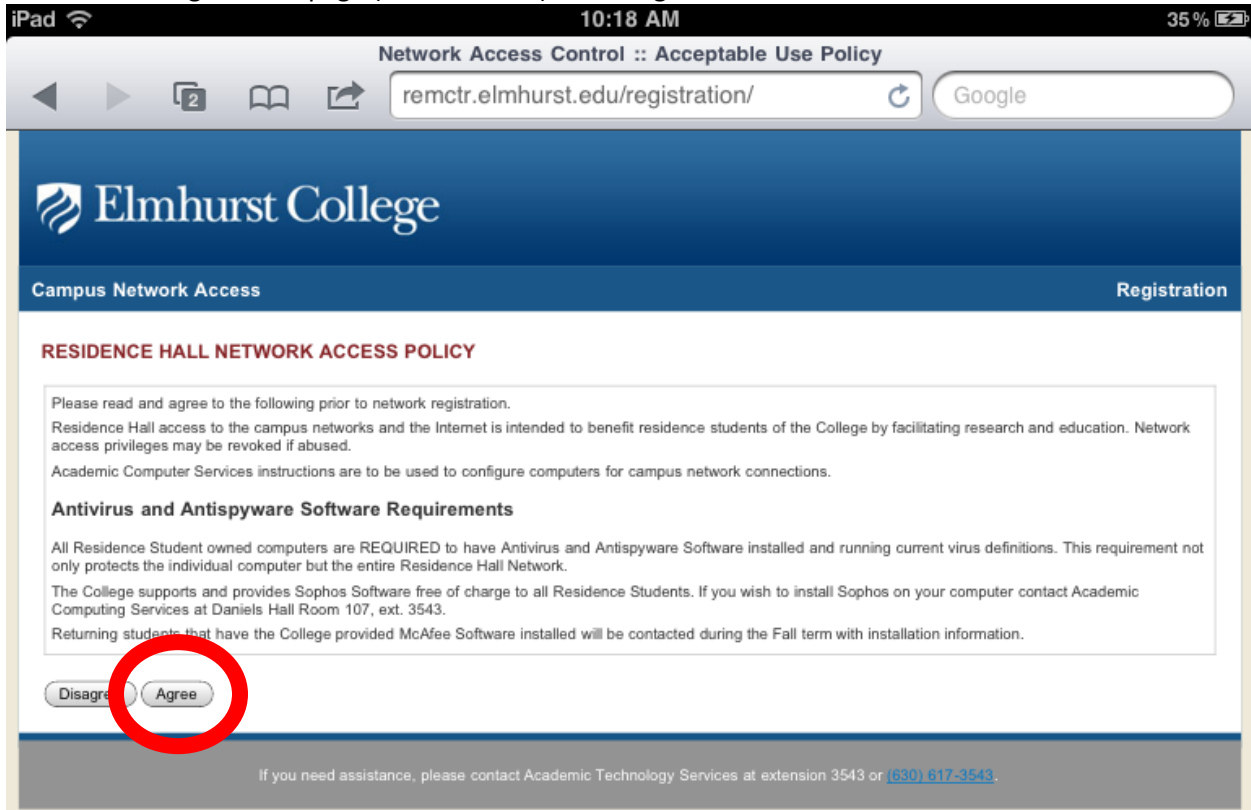

Once connected, go back to the home screen and touch the "Safari" web browser icon.

Type in a web address (such as <http://www.google.com/>). The Safari browser will redirect to this page: <http://remctr.elmhurst.edu/hub/> (shown below).

Wait for the Registration page (shown below). Click "Agree" to continue.

Touch the "Start" option for Residence Hall Users (shown below).

Campus Network Access Registration

**WELCOME TO THE ELMHURST COLLEGE NETWORK**

To gain network access users are required to adhere to our established registration policies.

Please select one of the following options:

**RESIDENCE HALL USERS**

[Elmhurst College Residence Hall Students](#)

Access: Campus Networks and Internet Access

**GAME DEVICES**

[Register your Game Console on the Elmhurst College Network](#)

e.g. Playstation 3, Wii and Xbox 360

**GUESTS**

[Guest Access within the Residence Halls](#)

Access: Internet Access Only

If you need assistance, please contact Academic Technology Services at extension 3543 or [\(630\) 617-3543](tel:630-617-3543).

Enter your Elmhurst College email username (without “@net.elmhurst.edu”) and password, and select the device type as “Handheld.” THIS IS VERY IMPORTANT. If you select any other option, registration will not work. Then touch “Download” to continue.

**Elmhurst College**

Campus Network Access Registration

**WELCOME**

Each client is required to verify that their PC will meet established network policies prior to connecting to the network.

You must already have an active College email account in order to register.

- If you know your email username and password please fill out the form below and click the download button.
- If you do not know your email username and password, please contact Academic Technology Services.

When you have filled out the form, you will be prompted to download and run the Client Security Agent to verify that your PC will meet these policies. The process will take approximately one to two minutes. Do not interrupt this process while it is running.

**DOWNLOAD**

Please enter your email username and password. Then click the button to download the Client Security Agent.
